If Yes, please explain:

In general, how would you describe your dog's temperament? (e.g. is he usually placid/energetic/obedient/excitable/calm/nervous, or use your own words):

How often is your dog left alone in the house and for how long?

When left alone, is your dog confined in any way? Please explain:

Is your dog ever given any "people" food?

How does your dog usually ask to go out?

How often is your dog used to going outside?

When walking your dog, do you let your dog off the leash?

If yes, would you be happy for the care provider to let your dog off the leash in safe areas?

How does your dog react when he meets other dogs?

Is there anything in particular we need to know about keeping your dog safe? Does your dog try to escape, jump fences, try to slip through open doors, dig holes to get under fences, etc.

**DAILY ROUTINE**

*Please note that as the owner you must provide adequate food to last your dog during the entire length of his stay. We believe that by keeping your dog on the same diet there is less chance of tummy problems, allergies, etc.)*

Briefly describe your dog's daily diet plan: (please indicate how often and when your dog is usually fed).

Is your dog used to having fresh water down at all times? If no, please explain:

Is your dog on any medication? If yes, please give us the name and details of the medication, what it is for and when it is given.

Where does your dog sleep at night?

Briefly describe your dog's daily outdoor activities (indicate time of day and duration of walks and/or being let out):

Does your dog receive any treats? Is there any particular time when you give treats to your dog? Please explain:

Is there anything else that we should know about your dog to ensure that he has the most enjoyable stay?

I confirm that all the above information is correct to the best of my belief:
